Additional information

Discover the 2024 park opening schedule on the next page, as well as the park map!

Children up to the age of 14 are under the responsibility of an adult, who must be present in the park, but are not required to climb. Entrance is compulsory for those entering the park without taking part in any activity: discovery entrance (€5/person, payable on site). Children aged 3 to 6 have their own dedicated courses. No adults or children aged 7 or over may climb them. Last admissions are 3 hours before the park closes, and accrobranche courses close 1 hour before closing time, so you have plenty of time to complete them.

Suitable sportswear and sports shoes are required for this activity.

A refreshment bar with refreshments and snacks is available all year round. In addition, a snack bar serving paninis and pizzas is open in high season.

We recommend you bring bottled water, as the park is not connected to the drinking water network.
